

About Wycliffe Enterprises, Inc

Wycliffe Enterprises provides a single-source solution for all your design, construction, mechanical, electrical and service needs. Our services offered include all disciplines of construction: pre-design, to turn key, consulting/engineering, service and preventive maintenance, installation of HVAC/Mechanical, Electrical, Life Safety and Building Automation Systems for today’s technology driven environments. We also provide renovations and additions for retail, private and commercial enterprises, tenant build outs, data centers, telecommunications and colocation facilities, and build out of office spaces within numerous secure government and commercial client facilities. We always utilize our own highly skilled and well trained personnel to perform projects both large and small whether CONUS or OCONUS.

About Wycliffe's Division-Power Comm

Power Comm is a licensed electrical contractor serving both commercial and government clients in the Washington DC metropolitan area. We specialize in providing the latest technology for low voltage electrical systems, including Federal Compliant Access Control Sytems, Video Surveillance, Intrusion detection, Telecommunications, IT Deployment, premise/outside plant, passive optical networks, wireless communications, alarm monitoring (UL 2050), in-building distributed antennae systems. Power Comm is a registered Trade Name and Trade Mark of Wycliffe Enterprises, Inc.
